## Letter from the President

Happy New Year, Friends!

My name is Janice Raney and I am the incoming President of the SMCFOL. I want to join with all the members in expressing our thanks to Jan Brodhead for serving as the President for the past three years. I will endeavor to follow the good example that she has set in leading the organization. As for my background, I am retired from Dillard's Department Store, and I have served as a volunteer and officer in several organizations including PTA, Girl Scouts, and Aggie Moms, as well as VP for the South Branch of the library for the past three years.

This past year has seen a return to more normal business after a couple of tough COVID years. Our bookshops have exceeded estimated sales and our annual Book Sale was also a success. We were able to provide needed funds to both branches of the library for equipment, programs, and the purchase of books, e-books, and other media. I am confident we can continue this positive trend throughout 2023.

Perhaps the biggest challenge we will face this year is conducting the Book Sale scheduled for March 23-25. In the past, the large room in the Community Center has been available for displaying and selling our books. Unfortunately, that won't be the case this year. Our experienced and dedicated volunteers on the Book Sale Committee are working on a solution to utilize the spaces that will be available to us at the Community Center and the South Branch. Please consider assisting with the sale. We will be contacting you later with details of how you can help. Volunteering your time not only benefits the library, but it is a wonderful way to meet other members who share your love of books and appreciation for the services the library provides to our community.

If you have any questions, comments, or suggestions feel free to contact me. It is my privilege to serve you and with your help we can meet all our goals for the SMCFOL for 2023.

Janice Raney

## 2022 Annual Statement

Hello Friends,

We are now at the end of 2022, and it was a very successful year for us. Our shops are doing very good business and our donations are also very good. Thanks again to our shop volunteers and managers. Their efforts ensure that our shops are running smoothly and profitably. They have done stellar work in the past year. We are pleased to announce the slate of incoming 2023 officers, elected at the General Meeting of the Membership on October 4:

President	Janice Raney
Vice-President (South)	Debra Karl
Vice-President (Mitchell)	Maureen Dalton
Treasurer	Billy Spies
Secretary	Liz Golze

Our financial situation at the end of this year is as follows:

- Our gross income was almost \$ 133,000. This is ahead of 2021 income and is also more than the amount we expected to achieve for the year. We exceeded our expectations for income in nearly every budgeted category.
- We provided our two libraries with nearly \$60,000 in annual funding for summer reading programs, children's programs, book clubs, display items, reference materials and other library needs.
- We donated \$25,000 for each library to the Montgomery County Memorial Gift Fund. These funds – a total of \$50,000 – are used by our two libraries to purchase, process, and catalog items to be added to their collections.
- We donated \$17,400 for updating the PA system at South Branch Library.

One of the highlights of our year was the Book Sale, held last March. It was a very successful sale monetarily - our gross income was approximately \$7,750 – but the real impact of the sale was that we could hold it again after a two-year hiatus. We were very pleased to be able to host our signature community event once more. The book sale is when we can gather many of our members in one place to put on the sale, and one of the main ways that we show the community at large what we do. We look forward to the 2023 sale, which will be held in March.

We always strive to remember that our mission at SMCFOL is to help and support the two libraries here in The Woodlands. We believe in libraries and how much they mean to our community. We will continue to do everything we can to further the best interests of our libraries throughout the coming year. We are relying on you, our members, for your continued help. Your volunteer hours, financial contributions, book donations and book purchases are all vitally important to us.

Our annual Membership Renewal letters will be sent out soon, and we hope that you will continue to lend us your support by renewing your membership for 2023.

Thanks,  
SMCFOL Board

## Annual Book Sale 2023

The 2023 Annual FOL Book Sale is set for the week of March 20, 2023, with set up starting on March 21, the sale opening Thursday, March 23, at 5pm and closing after the bag sale on the afternoon of March 25. More information and calls to sign up to volunteer will be coming out over the next few months. Because of scheduling issues, we are unable to use the large meeting room at the Community Center. So, we will be using all the other rooms and the large meeting room at South Regional Library. Our staffing needs will, by necessity, change so we can cover all the rooms. So please Save The Date and look for the call to volunteer to be made by Judy Mitchell and Jan Brodhead.

## Membership

You will receive your renewal letter early in January and we hope that that one of the first checks you write this year will be to the South Montgomery County Friends of the Library, or simply SMCFOL. We will compile an up-to-date list of volunteer activities which interest members once most of the responses have been received.

Please mail your check and responses, or you may want to drop off cash or a check and your renewal/volunteer interests form with the desk volunteer at either Bookshop when you are there dropping off or buying books.

Our memberships, support of the Bookshops, and volunteer efforts ensure the continued excellence of library services at both the South Regional Library and the George and Cynthia Woods Mitchell Library. On behalf of all involved, thank you for your support.

# News from the Mitchell Library

## News from the Mitchell Branch Manager

Looking back, in 2022 Mitchell Library was able to expand service, rebuild established programs, and create new opportunities to interact with the community. We saw over 132,000 library visitors who checked out over 500,000 items. We also hosted nearly 700 programs with over 21,000 attendees. None of this would have been possible without the generous support of the SMCFOL.

Mitchell Library has more great things in store in 2023. January sees the return of the Winter Reading Challenge (January 1 through January 31.) Be sure to sign up for your chance to win prizes! We also have two new adult book clubs starting in January and staff are already in the planning stages for summer activities.

I wish you all a very happy 2023 and we hope to see you at the library soon!

## Events for Children

### 1,000 Books Before Kindergarten

The concept is simple; the rewards are priceless. Read a book (any book) to your newborn, infant, and/or toddler. The goal is to have read 1,000 books (yes, you can repeat books!) before your precious one starts kindergarten. Does it sound hard? Not really, if you think about it. If you read just one book a night, you will have read about 365 books in a year. That is 730 books in two years and 1,095 books in three years. If you consider that most children start kindergarten at around 5 years of age, you have more time than you think to get started. So, get started!

#### How to Participate

Read with your child. Studies have shown that reading with your child provides a great opportunity for bonding. Reading together is fun and will create life-long memories for the both of you.

- Keep track of the book titles that you read with your child through Beanstack (<https://countylibrary.beanstack.org/reader365>)

## News from the South Library

2022 was a busy year at South! With programs from story times and book groups to the summer reading program and SAT/ACT practice tests. Our collection was well-used too, circulating 528,212 items at South. It was also a year of change. Lynn DeLeon, the South Regional Library branch manager for the past four years, took on a new role. Fortunately, she will continue supporting South, and all the MCMLS libraries, as Assistant Director. I am excited to start my new role as Branch Manager and look forward to working with SMCVOL to continue offering our community excellent services and experiences.

We're looking forward to a successful 2023!

## News from the Gift Shops

### SOUTH

“A good bookshop is not just about selling books from shelves but reaching out into the world and making a difference.” - David Almond  
South Library Book Shop volunteers couldn't agree more! It's our philosophy to put reasonably priced books into the hands of book lovers of all ages. Our volunteers strive to make each person feel welcomed and appreciated. We had a very successful year in our bookshop and that, of course benefits our libraries in The Woodlands and Montgomery County.

We're grateful to the community for supporting us through generous donations and purchases. In addition to our regular December sales, customers purchased books from our Christmas Library Gift Tree. Through their giving, and I might add the generosity of our volunteers, we are able to purchase over \$500 in books to add to the Children's and Young Adult collections.

We look forward to 2023. We're grateful to those of you who shop with us and hope you'll spread the word. Please mark your calendars for our Annual Book Sale on March 23-25, 2023. We've been saving books all year!

Happy New Year and we'll see you in the shop!

**Judy Mitchell**  
**South Book Shop Manager**

### MITCHELL

During the holiday season the Mitchell Library and the Friends of the Library Book Shop were festively decorated and provided a warm and welcoming atmosphere to visitors. Our book shop experienced an increase in visitors and sales throughout the months of November and December. Children's books, holiday-themed books, puzzles, newly published fiction, and special books (higher value) were our best sellers.

Once again, our Friends of the Library Book Shop was involved in the Giving Tree Project. The Giving Tree was in the first-floor lobby in front of the children's library area. The tree had gift tags of \$5, \$10, \$15, and \$20 values. It was requested that donors who wished to contribute to this project take a gift tag from the tree and present it and the monetary donation to the book shop desk volunteer. All monetary gifts will be used for the purchase of new children's books for the Mitchell Library. Our volunteer, Win McCann, was responsible for this successful project which she assumed with her customary zeal and enthusiasm. Thank you, Win, for a job well done.

Our book shop's newest volunteer is Wanda Marcell who joins us following a successful career at Anadarko. Her warm personality and diligence make her a great addition to our volunteer staff. We look forward to working with her.
