Let's Be Friends!

Friends enjoy meeting people who love to read, appreciate the privileges of excellent library services and the importance of maintaining them.

This is a non-profit organization of people from surrounding communities who generate revenues to provide increased funding to the Kevin Brady and George and Cynthia Woods Mitchell libraries.

Members raise funds in four ways:

- by operating used bookshops in both of the libraries that we support,
- by holding an annual three-day used book sale,
- with membership donations,
- and through supporting the bookshops.

These funds support numerous childhood, teen, adult, and family programs and events held at The Woodlands libraries. The Friends also contribute funding for furniture, computers, books, DVDs, audiobooks, and computers.

To learn more about how the funds raised support the libraries and to see the latest fact-filled newsletter, *The Bookworm*, visit our website at www.smcfriendsofthelibrary.org
